

Professional Development Program 2018

As part of PGAV's commitment to building the capacity of the public gallery sector, we will deliver an enhanced Professional Development Program in 2018. The program spans four key areas: *Building Profile and Engaging Audiences; Fundraising and Development; Gallery Best Practice; and Leadership and Management*. Highly credentialed local and visiting speakers will share their expertise and unique insights, while sessions will be held in a variety of venues to provide an additional benefit for participants who wish to explore collections, exhibitions, venues, and networking opportunities in leading metropolitan and regional venues.

Save the Dates

While the 2018 Professional Development Program is still in development, dates for each session are provided overleaf to lock in your calendar!
